Judge S ullivan,
A huge decision is in your hands, whether to accept the DO J recommendation to drop the entire case against General Flynn or not, and proceed to sentencing.
We have known since day one that the General was innocent and the newly released evidence proves

this as well. It is clear to everyone. Everyone except those with no interest in truth or justice. Those people with ulterior motives and agendas. Those people who don't make their own decisions but are told what to do by the people who bought them.

I wish I had confidence in the legal system, but after what has happened to us, to the Flynn family, and many others it's difficult. Especially when I hear that people can be Bought. And when I hear that people who were previously bought and paid for are looking for a new

payoff. The price for some people lately is going up faster than Nancy's blood alcohol level.
I know you will make the right decision Judge, a man of your intelligence and integrity won't let anything people might KNOW, or think, sway his decision.

Nothing people have done in the dark stays in the dark forever. I know you will stay above all that Sir, and let Justice truly be fair. I wish you all the best in your upcoming retirement, may it be pleasant, uneventful, and Everything you worked for 🙏

Matthew Ball @ballmatthew · Dec 3
2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

Voter fraud by mail-in ballot is rampant. The Deep State wants to make it mandatory so they control the vote. California as already stated they will send 20 million mail-in ballots out to people.

If you are forced, if you have no other way to vote except by mail-in ballot. Your vote is still important. Because they intend to cheat, because they intend to alter your vote. Take steps to ensure your vote is protected as much as possible.

Nearly everyone has a camera on their phone or access to

The "altered 302's" have not been released. Now that the case against General Flynn is finally and rightly dismissed those 302's are still needed, for the General's, hopefully, upcoming lawsuit. And the entire "depth" of the swamp

And everyone in it needs to be known. (RR) If not it could start again. Please don't let the dirty players hide. There are many more people waiting for justice.

The Deep state is already accusing President Trump of
